

Injoy Stewardship Solutions

My name is Pastor Dwight Riddick, Sr. Pastor of the Gethsemane Baptist Church, Newport News, Virginia. The Gethsemane Baptist Church is located in the inner city of Newport News, Va. The church has just completed a 50,000 Sq. ft. multi-use worship center. It was important for the church to raise a significant portion of funds to support this \$ 12 million dollar project. The church initially conducted a stewardship campaign on its own, followed by partnering with Injoy Stewardship Solutions (ISS) for two additional campaigns, one of those with Dr. David Holt. ISS proved to be a valuable partner in this effort, coaching the leadership of congregation and providing the necessary tools that made for a successful campaign. I am confident that the church's partnership with ISS continues to be an invaluable asset. I highly recommend any congregation in need of funds to consider a capital stewardship campaign with a Spirit Led Capital Stewardship Company, and I could recommend no one better than ISS.
