

Strong & Courageous Leadership in Challenging Times

- Deep confidence in God's presence and power in us!
- Expect warfare
- God promises to be with us in difficulty
- People will say one thing and do another
- Keep your eyes on the Lord
- Don't ultimately count on people to be our ultimate support
- Live in the present and future more than the past
- Steadfast in trusting God
- Be Word-centered
- Submission to leadership
- Angers may flare and people may attack – be patient
- Be certain of God's call and walk in it
- Help others trust God
- Cast vision and use other leadership to cast vision
- Be careful to take necessary precautions
- Be loyal to those who have been loyal to you
- Don't forget the "little" person
- Concern for unity and oneness for greater good
- Leaders lead
- God moves the hearts of people to follow
- God will go before us – sensitivity to His presence
- Steps of faith are required
- God knows the new paths to travel – He provides all the hidden details
- Keep a reverent respect for God
- Leadership needs to be visible so the people can follow
- Steps of faith are often required in difficult times
- The presence of God is evident as obstacles are overcome
- Total commitment is essential
- Leaders need to stand firm so that others know where to follow
- Give praise to God and remember what he has done
